Prey was a PC game I had not played since its fairly mediocre time on the market, but thought I would try out the infamous free-to-play model. After playing for a few hours, I reached a point where the game had finally

become so ridiculous that it was laughable. All in all, it was a fun game in its own way, but definitely not worth the money it cost for the initial 30 minutes of gameplay. Instead of attempting to provide a review for the game, I've decided to instead list some of the complaints I had with the game. In this game, you play as a bounty hunter - and the premise of the game is that you are paid to hunt down specific high-powered targets. You could
