The way the musician uses the sound of the instrument and the guitar to tell you a story in sound effects and his use of notes and chord structures to narrate the story of the piece is simply great. And then he changes it up and the story changes - he uses a lot of different instruments and sounds and a lot of different chord structures and scales. It's just a really great performance. It's really great music. It's a perfect performance and it's so hard to think of anything else to write about. I could spend hours just writing about Ryan's music and his way of hearing music.import React, { Component } from'react'; import { connect } from'react-redux'; import { withRouter } from'react-router-dom'; import { SearchBar, FilteringSelect, ValuesList as MaterialValuesList, Tabs, TabsContent, FieldSelect, IconButton, SimpleForm, ErrorBoundary, } from '@uifabric/example-app-base'; import { List } from './values-list'; @connect(state => ({ criteria: state.content.criteria, }), { updateContent({ dispatch, payload }) { dispatch(updateSearchCriteria(payload)); }, updateSearchCriteria(action) { if (action.type === 'REQUEST') { this.setState({ value: action.payload }); this.
